

COOKIE POLICY

Our website uses a number of cookies to store data on our visitor's computers. By continuing to use the Moores Rowland International website the "Site", you are agreeing to the use of cookies in the manner described in this notice. To find out how to control the cookies that are created on your device please see this page. To find out how to delete cookies please see this page. For more information about managing cookies, please see www.aboutcookies.org

Cookies Created by This Website

This website creates a number of cookies, which are referred to as first party cookies as they are specific to the host site that created them. All the first-party cookies which are created do not store any personal or sensitive information, or anything that makes you personally identifiable to us. They are used for essential functionality such as security when processing form data or for analytics which helps us use anonymous visitor data to gain a better understanding of how people use our website.

Session IDs

Our web server may create an essential session cookie called PHPSESSID, which is essential for your use of some of the interactive elements of the website, such as contact forms. The cookie contains a session ID which is a mechanism for distinguishing your visit to our website from any other visitors that may be using the website at the same time. This cookie expires when you leave our website.

Cookie Message

If you click the 'close' button on the Cookie Message that may appear along the top of our website, our web server will create a cookie called cookieclosed, which is essential for remembering that you have closed this message, and to prevent it from continually reappearing after you have closed the message. This cookie expires after 24 months from the initial 'close' of the message, after which the Cookie Policy message may reappear if you revisit our website.

Analytics

We use Google Analytics, which creates a number of first-party cookies, all prefixed __utm:

__utma contains a unique and anonymous identifying ID, which allows us to ensure that subsequent visits to our website are recorded as belonging to the same (unique) visitor. This cookie expires after two years.

__utmb used to establish and continue a unique user session. Each time you request another page from the website the cookie is updated to expire after 30 minutes.

__utmc works with __utmb to determine when to create a new session for a website visitor. This is a session cookie and expires when you exit the browser.

__utmz tracks how you found us and is used to calculate traffic and navigation within the website.

__utmv You may also sometimes find this cookie is created which relates to custom reporting segments, a feature which we occasionally use on Google Analytics

Full details of the cookies which Google Analytics uses can be found in Cookies & Google Analytics in documentation for Google's Analytics tracking code. You can also read Google's Privacy Policy for Google Analytics.

We don't share the data that Google Analytics collects, and we don't believe that our use of Google Analytics is privacy-intrusive. We use the data that is collected in the following ways:

- To report, in aggregate, how our visitors find and use our website;
- To understand overall visitor behaviour; and
- To inform how we update and improve our website.

To opt out of our use of Google Analytics you may wish to consider using the Google Analytics Opt-out Browser Add-on.

Other cookies

From time to time we may use additional external services on our website which may create cookies on your device. As we add new services or make changes that use cookies, we will update this cookie policy with the details.

If you have any concerns about the cookies we create or the way we aim to attain consent from you, please contact us at MR Corporate Services SAM 4-6, rue des Lilas, 98000, Monaco and we'll be happy to answer your questions.
